

## Jean K. Freeman Keynote

**Jean K. Freeman** swam for the Gophers and was the Women's Swimming Head Coach at the University of Minnesota for 31 years, from 1973-2004. Freeman's teams had 29 winning seasons, two national individual champions and seven top-20 team national finishes. Her teams won 76 Big Ten individual and relay titles, and Freeman was honored four times as Big Ten Coach of the Year. In 1999, she was the first woman to win the Outstanding Service Award, the

highest honor bestowed by the College Swimming Coaches Association of America. To honor Jean's legacy as a pioneer in women's sport and her commitment to giving back, hard work, honesty, team, caring for the whole person and excellence in every way, we have named this keynote in her honor. Jean passed away in 2010 after a battle with colon cancer. Watch a video tribute to Jean K. Freeman "More Than a Swim Coach" [here](#).
